

Halloween party raises funds for Homeless Shelter of the South Shore .

Participating Gables homeowners donated \$5.00 to the Homeless Shelter of the South Shore (located at 8 Drift Way, N. Weymouth, MA). Over \$500.00 was raised by residents and the Gables management.

More than 50 Gables residents - both adults and children - participated in the ghoulish get together. Fun games included wrap a mummy, pin the nose on the pumpkin, candy toss, and decorate your own picture frame. Contests featured costume parades for children to determine the cutest/most original costume, best costume and scariest costume. There was also a pet parade for best costume. The festive party was held at the Gables community clubhouse.

The Halloween party was managed by Gables management, trustees and residents. In particular, Courtney Pupkin, a resident of the Gables, received special recognition for the tremendous help she offered in organizing the party.

"Parties like this fun Halloween get together are a great way for neighbors to get to know one another and build lasting friendships," noted Rami Itani of the Gables management team. He added, "This was a great event and we look forward to hosting other similar events that encourage people to share good times."

Strutting their stuff, the Louvar family pose and enjoy the Halloween costume party at the Gables, a family-friendly condominium community located in Abington, Mass.
